

Welcome Contestants! Here you will find a barbeque supplies checklist for the first time competitor. The items highlighted are mandatory to bring and you will not be allowed to compete without them. I strongly recommend if your team is made up of a few cooks that this list is for the **TEAM** and not each member of the team. Keep in mind that you have to pack everything back up after a long weekend, so make it easy have a great time and good luck!
